# Turkey Hunting Season

Spring is one of the best seasons of the year to introduce children to the outdoors. One activity that has gained significant popularity among families over the past decade is turkey hunting. An interactive hunt and warmer temperatures make chasing turkeys a kid's dream. When hunting with your child this spring, focus on the basics. Have fun, stay dry, bring plenty of drinks and snacks, and let your child actively participate in the hunt. Owl hooting, along with crow and turkey calling are things kids can do with ease. Camouflage, turkey calls, firearms, archery equipment, and boots are built specifically with children in mind in today's hunting industry. This makes introducing a kid to turkey hunting much simpler and easier than it was 20 years ago. Don't miss the 2023 West Virginia Youth Spring Turkey Hunting Season on April 15th and 16th, 2023.

**Keep safety first and always remember to identify your target!**

Be sure to follow Beyond The Backyard on Facebook and Instagram to register for our custom turkey call giveaways. Also, we are partnering with Chris Walls to bring our members his "Calls with Walls" segments that educate hunters on how to use the different types of turkey calls available. Bobby Warner will be a guest on one of the five segments which will begin on March 16th at 7:00p.m.

# 2023 Hunting and Fishing Show

**The turnout for the 2023 Hunting and Fishing Show was a huge success.**

This year, a new element was added called the 'Youth Outdoor Adventure Challenge' where the kids got to participate in different challenges at various booths. It was an exciting way to keep the kids engaged throughout the weekend and we were proud to be a part of it. We signed up more than 500 new members and we gave away a Daisy Red Ryder BB Gun and \$1500 in gift cards.

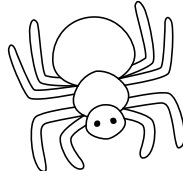

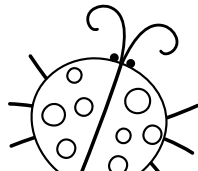

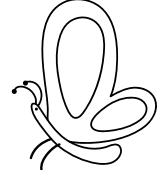

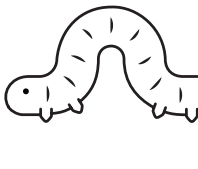

**Easton**

Check out our member Easton, 9, who was the winner of the Daisy Red Ryder BB Gun!

## SPRING

Go on a walk or hike this spring and mark off the items that you can find!
